

**Import and purchase ban on goods of Annex XVII of Regulation (EU) 833/2014,
Article 3g (1) (d) — iron and steel products originating from Russia**

The European Union has enacted an import and purchase ban on goods listed in Annex XVII of Regulation (EU) 833/2014, Article 3g (1) (d) through Regulation (EU) 2023/1214.

As of 30.09.2023, it is prohibited to purchase and/or import materials originating from Russia as per Annex XVII.

As a manufacturer of electromechanical switching devices, Kraus & Naimer is considered a downstream user in the supply chain.

We hereby declare that the products manufactured, processed, and distributed by Kraus & Naimer do not contain iron and steel products of Russian origin.

This confirmation is based on the binding information provided by our raw material suppliers.
